

What Makes Us Original.....

We set the industry standard for boiled bagels

Protecting the Goods

We're the only wholesale bagel bakery to use "STAY FRESH" packaging.

This unique preserves freshness, eliminates denting and prevents freezer burn.

Enhanced Flavor Profile

All of our bagels are kettle boiled, hearth baked and feature unparalleled seeding.

Our extended retarding process maximizes natural flavor.

Food Service: Par-baked Freezer to Oven or Thaw & Serve

Hearth par-baked Original Bagels are now 95 percent complete so you may choose to bake them freezer-to-oven for that perfect fresh-baked flavor without the lengthy preparation and time. You may also simply thaw and serve.

75 ct (5 Stay-Fresh packs of 15 bagels each)

45 ct (3 Stay-Fresh packs of 15 bagels each)

Retail: It's in the bag

Choose clear plastic bags or Original Bagel branded bags (pre-sliced available)

Private Labeling

Make Original Bagels your own bagel by taking advantage of our private labeling capabilities.

Keep customers coming back for more without having to build your own scratch bagel kitchen.

Mini Size, Major Appeal

Mini bagels are available pre-sliced in plain and whole wheat.

Ensuring your Bottom Line

We box by COUNT (a pillow pack is 15 bagels), ensuring you get what you pay for!

Original Bagels have a full 24 hour shelf life when baked, and much longer when bagged.
