Dear Bill,

Thank you for your food donation of 26,774 pounds in June 2011, which City Harvest distributed, free of charge, to community programs throughout New York City.

Now serving New York City for more than 25 years, City Harvest is the world's first food rescue organization, dedicated to feeding the city's hungry men, women, and children. This year, City Harvest will collect 28 million pounds of excess food from all segments of the food industry, including restaurants, grocers, corporate cafeterias, manufacturers, and farms. This food is then delivered free of charge to nearly 600 community food programs throughout New York City using a fleet of 17 trucks, bikes, and volunteers on foot. Each week, City Harvest helps over 300,000 hungry New Yorkers find their next meal.

Thank you from all of us here at City Harvest, the agencies we serve, and the hungry New Yorkers that benefit from your generous contributions. We look forward to working with you in the future as we continue to fight hunger in New York.

Sincerely,

Jilly Stephens
Executive Director
