Original Bagel Company  
2 Fairfield Crescent  
West Caldwell, NJ 07006

Dear Dave, Bill, and everyone at the Original Bagel Company,

On behalf of the March of Dimes, we would like to thank The Original Bagel Company for your generous donation of over 2500 bagels to our March for Babies events held all over North Jersey on April 30<sup>th</sup> and May 7<sup>th</sup>. The bagels were delicious, and over 5000 walkers got to enjoy them! The weather was beautiful at both the events, our walkers raised over a million dollars towards our mission. This tremendous accomplishment is due to the efforts of our team captains and walkers, and thanks to the support from sponsors and companies like The Original Bagel Company.

The March of Dimes has been protecting the health of babies for almost 80 years. We funded the research that led to the prevention of polio and we have not stopped defending the health of babies since. From pioneering genetic research to promoting folic acid to fighting for lifesaving newborn screening, we are serious about making sure every baby is born healthy. This year more than half a million babies will be born too soon. With your support, we will find the causes of premature birth and develop ways to prevent it.

Thank you again for your support and I look forward to you joining us again in 2018!

Sincerely,

Amanda Cimaglia
